*Total score is only available for Listening and Reading sections. For more information please consult <https://www.etsglobal.org/fr/en/content/common-european-framework-reference-languages>

A detailed description of the different statuses of score delivery policy is available in the "Legal Documentation" section.

To learn more about the CEFR level description, please visit our website.

The range of total scores associated with each CEFR level is estimated by adding the relevant cut scores from the Listening and Reading test section CEFR mappings. Whenever possible, ETS encourages score users to consider CEFR levels separately for Listening and Reading rather than using a single overall estimate based on the total score. This approach is more precise and considers a test taker's language profile, which may differ between listening and reading comprehension.
